Colin was born with Tetralogy of Fallot-Pulmonary Atresia, Ventricular Septal Defect and MAPCA's. Colin endured 3 open heart surgeries and 7 cardiac catheterizations until he peacefully stopped fighting on September 21<sup>st</sup> 2008.

We are pleased to be hosting our 9<sup>th</sup> Colin Classic golf tournament this year once again at the beautiful Blue Fox Run golf course in Avon, CT. The Colin Classic was formed to gather family and friends together in order to remember Colin and to help raise money for Courageous Hearts of CT. The Colin Classic invites golfers of all abilities to come out for a great cause and a day guaranteed to offer much fun and remembrance.

Courageous Hearts of CT is a 501c3 private foundation that was founded in 2013. Our mission is to help heart kids and their families as they struggle to win their battle against congenital heart defects.
